PELE POEM SHOCK!

A 'GAME ON!' EXCLUSIVE!
Football legend Pele was deeply distressed last night after buying his copy of 'GAME ON!' at his local branch of Ottastones. A tearful World Cup Winner told our 'GAME ON!' reporter, 'There's not a single mention of me in the 'GAME ON!' book. I think it's just a publicity stunt to get me to say 'GAME ON!' as many times as possible to the media.'

PAPER VIEW

'It is rare for such unpretentious poetry to be so subtle and complex.'

Stuart Kelly
Scotland on Sunday

'Eddie Gibbons is a playful, candid and poignant writer.'
